

PERFECT SANITATION FOR A HEALTHY POOL

AstralPool Viron Salt Chlorinator with Bluetooth® Control

AstralPool's Viron Salt Chlorinator brings a new benchmark in **efficiency, control, convenience and reliability**. The Viron Saltwater Chlorinator's advanced electronic power supply provides pure DC power to maximise the efficiency of the electrodes to produce the highest level of chlorine for the **lowest power consumption**, reducing your **energy costs** and keeping your pool safe and healthy. With easy to use touch pad, intelligent self-cleaning of the cell, pool & spa dosing control and a filter backwash timer, you can count on the Viron Saltwater Chlorinator to keep your pool **looking crystal clear**.

Energy Efficient

Intelligent Self Cleaning

Touch Pad + Time Clock

Environmentally Friendly

Proudly Australian Made

CHLORINATORGO SMART APP CONTROL

You can now easily control your pool's water balance with Bluetooth® and the free downloadable **AstralPool ChlorinatorGO app** on your smart device.
