POOL SUPPLIES AT BEST PRICES

Leaders in the field

The Dolcevita range sets a new standard for above-ground pools thanks to over 40 years of bring quality products to market. With a proven track record and constant updating and improving to suit market needs you can be rest assured in the quality and design specifications.

LAGHETTO®

Dolce Vita

All swimming pools installed in Australia require a suitable fence that complies with local laws and regulations. Some images shown in this brochure are European where these regulations are not required.

Elegant Design

Straight from the heartland of world class design, these Italian made and designed above ground pools incorporate innovation and stylish elegance to its layout and application. Dolce Vita can be added to most any size yard, position, reposition or removal. The versatile design allows easy and quick installation.

LAGHETTO®

Dolce Vita

The Complete Package

All Dolce Vita pools come complete with pump, filter, light and manual cleaning vacuum. Plus all pipe, hoses and fittings that make set up and installation simple and easy. The system is designed to ensure minimal maintenance.

LAGHETTO®

Dolce Vita

VERSATILE TO SUIT ANY APPLICATION

Let your imagination go with endless installations and layouts to suit your backyard space and size. Whether you want to build a deck around, slightly bury into the ground or leave fully above ground. The easy installation and beautiful finishes allow for any application with compromising the aesthetics

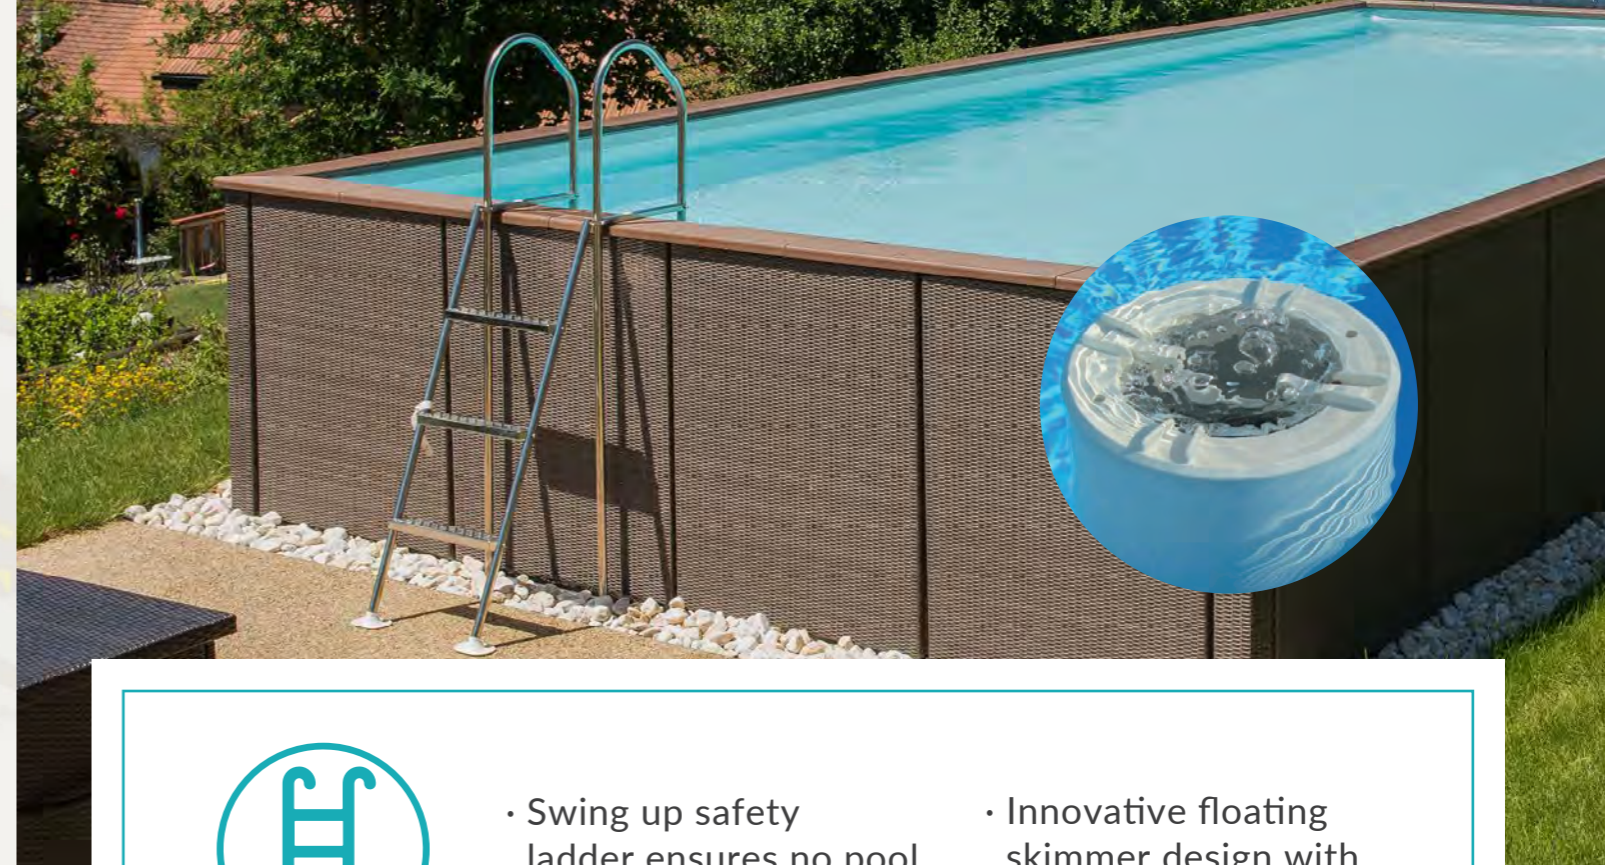

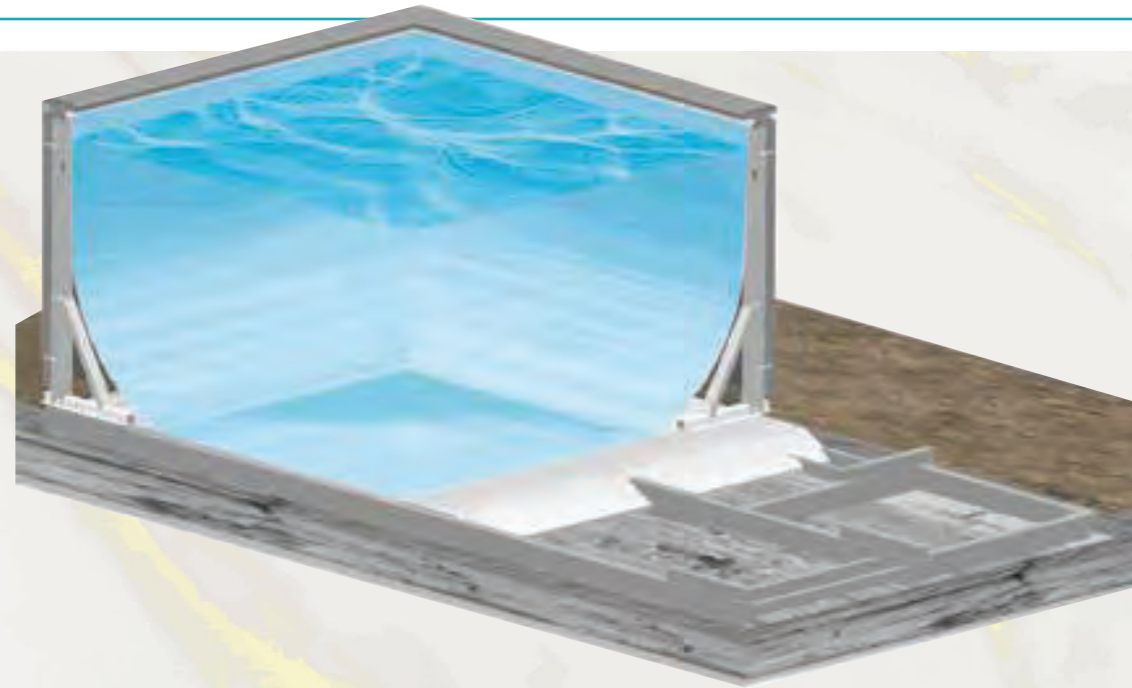

LAGHETTO®
